Holroyd Community Garden

UPDATE

Community Gardening in Wentworthville

The community garden is on the move – if you would like to have some fun growing and eating for the garden, meeting people, harvesting and sharing the produce, give us a ring for the times the garden is open. The final approvals have been granted by Holroyd Council and the now it is time for the garden beds, the planting, growing and enjoyment.

We will be planting some summer vegetables and flowers and herbs including lavender and rosemary, basil and parsley, beans, beetroot and tomatoes in a community garden bed to begin with.

If you would like to become involved in the garden, please ring

Clarissa on 96883215 or 0428548247

Kerrie's Space

WOW!!! We are now taking bookings for Term 1 2007.

I would like to thank all of you who supported our Open Day which was held in the October school holidays. It was a huge success with everyone having lots of fun.

Cassia receives its core funding from the Dept. of Community Services. However, this mainly covers our wages and on costs. It is necessary for us to charge a small fee for our services and we also hold various fundraising events. Open Day being one of them. I would also like to thank the organisations and individuals who contributed prizes for our raffle. Congratulations to all winners. I hope you enjoy your prize.

As you will see by the Community Garden Update, we are getting closer to making our garden a reality. Clarissa has done a tremendous job as she has needed to work closely with Holroyd City Council in relation to complying with the DA. I have a vision that our next major fundraising event shall take place in this beautiful garden. I was thinking of a jazz concert with a picnic theme. So please, watch out for details regarding this family/community event to be held in 2007.

I shall now take this opportunity again to thank all of our clients and volunteers for your continued support. I would also like to thank The Management Committee who donate endless hours of their time in order to ensure that Cassia continues to offer a high quality service.

I hope you all have a safe and happy Xmas and New Year.

Kerrie Denton
